

Welcome to RCIIS- The Royal Canadian Institute of International Studies!

School Schedule:

Morning programs	9-1pm
Afternoon programs	2-4pm or 2-5pm*STAR program
Evening programs	5-9pm

1.ATTENDANCE POLICY

I have read and understood RCIIS Attendance Policy. I understand that:

1. **At RCIIS, attendance is taken very seriously. For many of our school programs, attendance is an essential factor when deciding a passing grade.**
2. There are only 3 absences (including sick days) allowed EACH SESSION. If a student knows in advance that they will be absent, they must get prior permission from the instructor **(still counted as absent)**.
3. **IN class sickness will be dealt with at the teachers' discretion**
4. Every 2 days late (after 9 a.m. or 2 p.m.) = 1 absence.
5. Class begins at 9 a.m. or 2 p.m. sharp. If you arrive after 9 a.m. or after 2 p.m. it means you are late. If a student arrives more than 10 minutes late, the student will be unable to attend the class until the break time.
6. If you are absent from your program without written notice to the school administrator for more than 5 consecutive days, you will be temporarily removed from the course list. Upon your return, you may try another available class or you can choose to be placed on a waiting list until there is adequate room.
7. On the final afternoon of each session, there will be no afternoon classes.
8. Students who register for more than 16 weeks may take one (1) vacation during their studies. All vacations requests must be received at least 4 weeks prior to the start of your vacation time. Any vacations received with less than 4 weeks' notice (regardless of the reason) will be subject to an administrative fee of \$100. This vacation may be up to a maximum of four weeks. Academic students who take a vacation must be aware of their course start and end dates and plan their time accordingly. Beyond 4 weeks, any additional days will be treated as absences. (<https://rciis.ca/vacation>)
9. Students registered in Intensive Packages will not be entitled to credits or extra time if they decide not to attend their afternoon classes.
10. Students who plan to extend their time at RCIIS should do so **at least 1 week before the end of their studies** and make their payment before restarting

*Please note: Students must inform the school before taking **any** vacation. If a student fails to do so and doesn't come to class for 3 weeks or more, all immigration reports will indicate: "no longer registered or enrolled in the school". This determination could negatively affect any possible extensions.

2. ENGLISH-ONLY POLICY

Students must speak English at all times while at RCIIS and shall not be heard speaking their native language or any other language besides English anywhere inside the school.

I understand that the Royal Canadian Institute of International Studies (RCIIS) requires all students to **speak only in English while at school**. Our school follows a strict three strike Policy:

Strike 1: The student will receive a **verbal warning** regarding the English Only Policy.

Strike 2: The student will be asked to **leave the school** for the **rest of the day**.

Strike 3: The student will be asked to **leave the school** for **3 days**.

3. CERTIFICATION

1. School certificates are not given out automatically. Students have to meet all course requirements and follow the school's attendance policy.
2. In order to receive an RCIIS certificate, students apply using the online form on our school website (rciis.ca/certificate).
3. Certificates will be ready within 1 week upon receiving the request form.

4. ACADEMIC POLICY- PLAGIARISM / CHEATING

Honesty and fairness are expected to be upheld by students, staff and faculty of RCIIS, which are considered fundamental values shared by all members.

The penalty for a first academic honesty offence is normally a grade of "0" on the work in which the offence occurred.

The penalty for the second academic honesty offence is normally an "F" in the course where the offence occurred. You must see the School Administrator or Director for reinstatement.

5. DISPUTE RESOLUTION POLICY

Students who wish to address any concerns or comments can speak with our teachers and counsellors. If the issue still persists, students can talk to the Academic Director who will take further actions to remedy the situation.

6. HEALTH INSURANCE

The Government of Canada does not pay for the medical costs for foreign students. The medical expenses for emergency, sudden illness or accident while studying in Canada could cause a fortune without adequate coverage. It is mandatory for our students to have health insurance while studying at RCIIS. Students must present proof of health insurance before beginning their studies.

Students are responsible to obtain and maintain medical insurance for the duration of your study.

7. SMOKING:

Smoking is NOT permitted anywhere inside or in front of the building.

Smoking is NOT permitted under the roof of the parking lot.

RCIIS is a drug free environment; drugs and alcohol are strictly prohibited.

8.WIRELESS ACCESS AND CELL PHONES

Students can connect to the school's Wi-Fi by using the current password. Students are NOT allowed to use their cell phones in class unless the teacher gives permission.

9. ELEVATOR USAGE

RCIIS students may NOT use the elevator at any time for any reason. Only students with assistive devices may use the elevator with the permission of the director.

10. COLLECTION OF PERSONAL INFORMATION CONSENT

RCIIS collects and uses personal information from our students in order to:

1. Maintain a file of your personal information including contact details in case of an emergency.
2. Collect statistics for the sole use of RCIIS's business development.
3. Communicate with an agent or third-party organization acting on a student's behalf in their country of origin.
4. Communicate with the Canadian federal government with regards to student attendance and/or proof of advancing in a program of study.

I hereby give consent to RCIIS to use and disclose my personal information for the purpose of conducting RCIIS business, as outlined in this document.

- If you are eating lunch or not in class, make sure to go directly to the meeting area (Outside TD Bank).
- Students must not go back inside the building until the fire department says that it's safe.

*Fire / emergency escape plans will be displayed prominently throughout the school.

Student Responsibilities Statement:

1. Treat other students, faculty, staff, and other agents of the institute with mutual respect and dignity.

3. Students shall not discriminate others on the basis of age, color, religion, creed, disability, marital status, veteran status, national origin, race, gender, or sexual orientation.
4. Students must try to keep their study and eating areas clean and safe

It is important for students to inform the school of any change to their visa status. If this is the case, students need to bring their updated visas to the school administrator to update their records.

Notice of College of Personal Information and Consent
(Ontario Ministry of Advanced Education and Skills Development)

International students seeking a study permit to attend a postsecondary learning institution in Ontario must attend a postsecondary institution designated by Ontario for the purposes of the Immigration and Refugee Protection Regulations (Canada). This is often referred to as the International Student Program ("ISP").

Under the ISP, private postsecondary institutions are designated by Ontario on an annual basis. As a result, private postsecondary institutions that wish to remain designated apply for designation annually.

At the time that you are asked to read and sign this document, you are (1) applying to be enrolled in an institution that is applying for designation for the first time, (2) applying to be enrolled in a designated institution, or (3) enrolled in a designated institution. If you are enrolled in an institution that is currently designated, the institution may be applying for further designation annually.

When reviewing an institution's application for designation under the ISP, Ontario's Ministry of Training, Colleges and Universities (the "Ministry") conducts a site assessment to verify the information in the institution's application with respect to its educational policies and procedures. The Ministry may also monitor institutions that are designated to determine whether those institutions are complying with the terms and conditions of designation.

As part of the site assessment and the Ministry's ongoing monitoring of designated institutions, the Ministry reviews a representative sample of student and prospective student records, such as student and prospective student contracts, registration forms, records of enrolment, documents pertaining to academic assessment and progress, and other documents contained in the student or prospective student file. The Ministry also may need to make copies of student and prospective student records in order to complete its review of the institution's (1) application for designation or (2) ongoing compliance with the terms and conditions of designation.

Your consent is requested to allow the Ministry to access the personal information you have provided to the institution that may be contained in your student records. Without your consent, the Ministry cannot access your records as may be required in order to assess the institution's application for designation or ongoing compliance with designation conditions.

The Ministry collects and uses this information under the authority of ss. 38(2) and 39(1)(a) of the Freedom of Information and Protection of Privacy Act and the Immigration and Refugee Protection Act (Canada) and its Regulations. Questions about the collection, use and disclosure of this information may be addressed to:
